Welcome to On Pointe's 2022 spring recital, "Dancing Through Oz"!

Our dancers and staff have been preparing for this show over the past 5 months and it's so exciting to see their vision come to fruition. Our performances are loosely based on the theme of Wizard of Oz and will also include some of our competition team and dance team routines as well. Through the story of Dorothy, played by Chloe Lucas, and her dog Toto, played by Posey Finger, and friends they'll meet along their journey: moments of magic, imagination, love, trust, courage, kindness, friendship and perseverance are shared. We hope you enjoy our show and appreciate the hard work and talent that has been poured into this production. Now, "We're Off To See The Wizard".
